

Learning Lounge Digital Literacy

Every Friday 9.30-11.30am

(not during school holidays)

Do you have a computer, smart phone or ipad that just isn't doing what you need it to do or need to learn more?

Bring your equipment along or share our computers and we can help you out.

Maybe it's learning to write letters, use emails, change a setting on your device or you could even want to learn how to use facebook, ebay, skype or snapchat.

We can work with you to help you with your device or software questions .

Cost: \$2.00 donation
